We have taken many steps to successfully implement the vision for our Nation. We are on the road to prosperity. Never before in our history have our own source revenues been so high. While there is more to be done to ensure our Nation has a stable, prosperous and healthy future, all KFN Citizens can be proud of how far we have come together so far.

On behalf of Chief and Council, we thank you, the Citizens of our great Nation for your vision, your ongoing trust and support. We could not have achieved what we have without you. By continuing to work together, we can keep our Nation moving forward.

Much accomplished, more to do...
